SPECIAL REMARK:

- When they arrived, there were 15 silver blue watches left uninstalled, 7 silver black watches left uninstalled, 1 gold green watch left uninstalled, and 3 gold blue watches left uninstalled. The product has not been packed into the Gift box and carton yet.
- The order requires 200 silver blue watches, but the actual quantity is 250; The requirement is for 200 silver black watches, but the actual quantity is 150. The order and actual quantity for both gold green and gold blue watches are 50.
- There's no approved sample providing for reference during inspection.
- No shipping mark spec. available for comparison on site.
- No packing method spec. available for comparison on site.
- Selected 150pcs samples for inspection, found 1pcs major defect and 3pcs minor defect, for the defects found during inspection, the inspector had already shown to the factory and requested to replace these defects.
- The factory has informed that one sample of each style has been sent to the customer, and there are still 496 units left in the factory.
- The flashing light spots of silver blue watches and gold green watches are not very obvious 100%.

This reflects our findings at the time and place in inspection. This inspection has been carried out to the best of our knowledge and ability and our responsibility is limited to the exercise of reasonable one. This report does not relieve the sellers from their contractual obligations nor prejudice buyer's right for compensation for any apparent and / or hidden defects not detected during our random inspection or occurring thereafter. This report does not evidence shipment.

Final Random Inspection Report

SOURCINGPIONEER

Report No.:PSI20260407-001

9. The order requires "JAPAN MOV'T" to be printed below the 6 o'clock mark, but the actual printing is JAPAN MOV'T.

6 点钟刻度下方印有“JAPAN MOV'T”（日本机芯）字样，

10. The font carving is normal upon closer inspection, but if enlarged and examined, the overall clarity is not very clear, and the patterns are relatively blurry.

11. The factory does not have pulse instrument equipment to test the error of the time period, and can only use a mobile phone to check the operation status of the movement in seconds.

12. The battery specification is muRata 1.5V SR616SW.

This reflects our findings at the time and place in inspection. This inspection has been carried out to the best of our knowledge and ability and our responsibility is limited to the exercise of reasonable one. This report does not relieve the sellers from their contractual obligations nor prejudice buyer's right for compensation for any apparent and / or hidden defects not detected during our random inspection or occurring thereafter. This report does not evidence shipment.
